Board members wanted

For this semester we are looking for new board members. The activities department needs to be filled; therefore, we are looking for committed students who want to work with us.

In the activities department you plan our cool events and carry them out. The department is designed to be managed by several people.

If you or some friends of yours would like to take over this department or if you have any other questions, please contact us at vorstand@aiv.ethz.ch or come to a board meeting with no strings attached. The meetings take place every Monday at 11:35 in HXE C23. Or you can also meet us in G15.

ESF 2023

The poster for ESF 23 (Erstsemestrigenfest) has a blue and green gradient background. At the top left, it says 'ESF 23' in large white letters, followed by 'Erstsemestrigenfest' in smaller white letters, and 'Force of Nature' in large, bold, italicized white letters. Below this, there are four circular callouts: a purple one with 'ETH Hönggerberg 28.09. 20:00-3:00', a green one with a QR code and 'Tickets', a blue one with 'Pre-Sale Only' and 'Cash/ Twint Only', and a light blue one with a mountain and ice. To the right are three circular images: a green forest, a blue sky with clouds, and a blue underwater scene. At the bottom are logos for 'voeth', 'Schützengast', 'X-LIGHT SOUND', and a small circular logo.

EXKURSION

Einblick in den Bahnbetrieb

Die Bahn ist der Puls der Schweiz. Die Züge schwärmen in regelmässigen Abständen entlang der Gleise wie Herzschläge durch die Schlagadern.

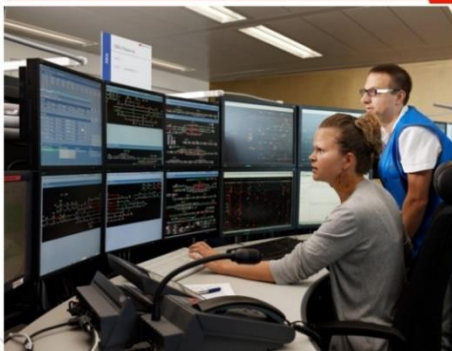

Sowohl der elektrische Impuls als auch der Herzschlag an sich kommen aus den vier Gehirnen des SBB-Netzes – den Betriebszentralen Ost, Mitte, Süd und West. Im Rahmen dieses Anlasses besuchen wir eine dieser Betriebszentralen. Anschliessend setzen wir im Eisenbahn-Betriebslabor die Theorie in die Praxis um – zumindest im Massstab 1:87.

Datum: Donnerstag, 12. Oktober 2023

Zeitplan: Siehe Anmeldelink

Ort: SBB Betriebszentrale Ost, Frachtstrasse, 8302 Kloten

Hinweise: Die Teilnahme ist kostenlos. Die Besichtigung steht allen Studierenden offen. Die Plätze sind begrenzt.

Dinner "food market"

Since the end of the pandemic, on the Höggerberg, dinner is offered exclusively in the Alumni Lounge. Before Corona there was also an evening offer in the food market during the term time. Various students have complained about the lack of dinner options and would like to have an evening meal offer again.

For this reason, the food market will test for two months, starting with the term time, whether an offer is also sufficiently used.

A menu with flexible pricing as well as menus for 7.50 CHF and 6.50 CHF will be offered.

The food market is open from 17.30 - 19.15 from Monday to Thursday - on Friday the food market is closed - the offer in the Alumni Lounge remains.
