AIV General Assembly

Do you want to know what's going on in the AIV? Do you want to have a say in what happens with your VSETH contribution? Then take the opportunity and come to our GA! For all present we will serve delicious food from the Mastergrill during the GA. And against thirst we will provide you with beer and non-alcoholic drinks. Of course, this is all FREE - so it's worth showing up!

When: Thursday, 14.03.2024, admission from 17:45 clock, start 18:00 clock

Where: HXE C1

Registration: Not required!

Communication- Commission

The AIV is looking for YOU to help us design our news magazine (NAIV)!

- The Koko offers you the chance to share your ideas for the co-design and redesign of the NAIV
- Many articles have already been written and just need to be added to the booklet.
- If you have any ideas for an article, the design, a challenge or anything else, you can submit them in the KoKo committee
- The assignments are small, so they are ideal for those who would like to get involved but don't have a lot of time
- What's in it for you? You will be invited to the helpers' dinner at the end of the semester and there will also be a small gift for committee members ;)

Interested?

Spaghetti tower building competition

[Bildquelle](#)

This year, a spaghetti tower building competition is being held for the first time. As the name implies, the aim is to build the tallest spaghetti tower possible. You can take part in teams of 2 to 4 and snacks and drinks will also be provided at this event.

When: Thursday, 21 March 2024, from 18:30 - approx. 22:00

Where: HXE C1

Registration: [Registration Spaghetti tower building competition](#)

Railway Summer Camp

This summer, the Railway Summer Camp will take place for the fourth time from 9 - 12 September 2024. Experience the railway system up close over four days, visit construction sites and workshops and discuss with specialists and experienced personalities from the railway industry.

Immerse yourself in the exciting world of the railway at various locations and at different railway and railway technology companies and deepen your knowledge of innovative projects. Take advantage of the exclusive opportunity to network within the industry and get to know potential employers and exciting career opportunities.

The registration window is now open until 24 March 2024.

You can find the registration form and further information [here](#).
